Stephen Charlot

SKILLS

- Experience using Microsoft Excel to collect data
- Some experience using Google Sheets

EXPERIENCE

Career Technology Center - Print Production

- Helped manage the school's print shop
- Worked with fellow students to produce print products, such as screen-printing shirts, making posters, printing booklets, etc
- Repetitive labor, often working on the same task for hours at a time

Chemistry Research Training

- Personal training from a college chemistry professor
- Learned how to collect and record data, such as measuring the conductivities of different chemicals and relating them to particular properties of the chemicals, like the number of ions they dissociate into in solution
- Learned how to use Excel to create graphs to analyze data

EDUCATION

Scranton Highschool

- Graduation: June 2025

Career Technology Center of Lackawanna County

- Graduation: May 2025

Penn State University

- Major: Chemistry
- Graduation: May 2029 (expected)
- Current GPA: 3.92 (Fall 2025)
