

Rodolfo Vargas-Riveron

Student-Athlete at Marywood | Financial Planning Major

- **Dedicated student-athlete** at Marywood University **pursuing a degree** in **Financial Planning**, combining academic discipline with the competitive drive developed through collegiate athletics. Proven **ability** to **manage demanding schedules, perform under pressure, and demonstrate strong time management and resilience.**
- Passionate about applying financial expertise within sports organizations, bringing a strong foundation in management, practical accounting knowledge, and analytical decision-making to contribute meaningful value to a team.

WORK EXPERIENCE

American BBQ Company- Denville, NJ
Team Member, Food Service Worker

June 2023-Present

- Contribute to **daily operations** in a **fast-paced restaurant environment**, demonstrating **strong time management, reliability, and performance under pressure.** **Collaborate** with team members to ensure efficient service, deliver high-quality customer support, and adapt quickly to shifting demands. Strengthened teamwork, communication, problem-solving, and **leadership skills applicable to professional business settings.**

Junior Investment Analyst/ Sector Manager

August 2025-Feb 2026

Marywood Pacer Fund

- As one of the youngest junior analysts and sector managers for the **1.5 million dollar** Marywood Pacer fund, I had the opportunity to **oversee** the **finance sector** which consisted of quality/equity research, **financial remodeling**, providing risk analysis to deliver whether we should invest in certain stocks or not. This experience allowed me to get **exposure** of the **professional demands** the business world requires and hone in strengthening my skills in being engaged, decisive as well as value.

Community Engagement
